POLI FEDERICO II

## PhD programs at DIETI

- All PhD programs are open to both European and extra-European citizens with no less than 5 years studies in any area of Engineering, Mathematics or Physics
- The students admitted to PhD program at DIETI receive full financial support.
- All PhD students will benefit of further funding for their research activity and travels

## How to apply

- The application form can be downloaded from [www.unina.it](http://www.unina.it).
- It is advisable to contact your potential advisor before applying for the PhD (not necessary)
